# Council To Pick City Manager-Monday

## Piccinini Withdraws Zone Bid

Through Attorney Conrad Reisch, cement contractor Dominic Piccinini Monday night withdrew his application for industrial zoning of the parking lot strip astride Marchbanks park.

The move, readily accepted by the council, came after the planning commission had turned down the application.

The council is attempting to buy about four-sevenths of the parking lot area for a paved parking lot. Piccinini, who is considering the city's offer for part of his property, can reapply for zoning on his proposed storage warehouse operation.

Piccinini's three-sevenths of the land—under the city proposal—would be located toward the Westlake avenue side of the park.

The cement contractor bought the former Southern Pacific right of way last summer for approximately $31,000 after the city council nixed its option to buy the property.

The city recreation and planning commission subsequently urged the council to purchase the entire lot to preserve the parking facility and the in-and-out routes to the park.

Piccinini, in latest talks with the council for a compromise settlement, has agreed to grant the city access to the park through his portion of the land.

## Jail DC Man In $10,000 SF Burglary

John T. McEntee, 37-year-old Daly City mechanic, was one of three men arrested Monday in San Francisco on suspicion of burglary and receiving stolen goods.

McEntee, 178 Peoria street, was booked along with Jacques Closs, 58, a motor sales company owner, and Al Villareal, 39, a truck driver, in connection with a $10,000 cigarette theft from a drayage warehouse last Saturday.

Both McEntee and Villareal were employed by the drayage company whose warehouse was burglarized of the $10,000 in cigarettes (two truck loads) and a small safe containing $250.

SF inspectors halted Roth in a rented truck Saturday afternoon and he admitted he was in trouble." They confiscated the cigarettes in the truck.

Roth told officers that McEntee and Villareal approached him Friday in a bar and asked his help in the "project." Both deny any part in the burglary.

The safe has not been found.

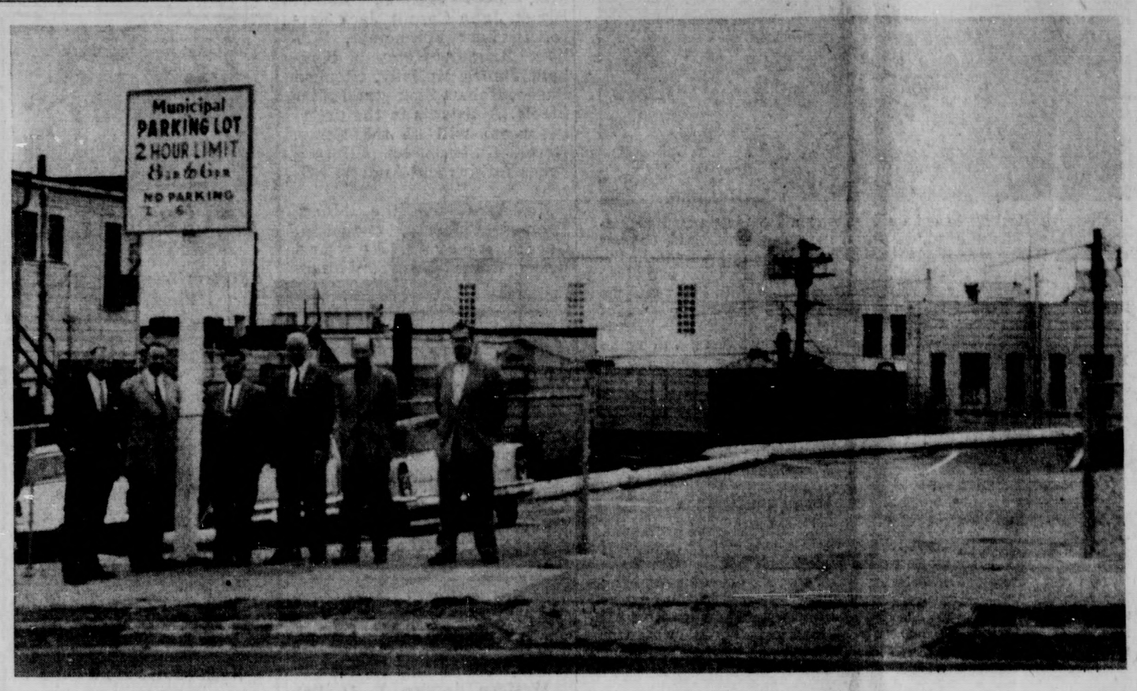
Roth was released on $25,000 bail. The other two are still in custody.

## Burglar's Haul Amounts To $348

Mrs. Marlene Bauer, 73 Oakmont drive, last week reported the theft of $330 in jewelry and $18 cash from her residence—which is up for sale.

She believes the burglary may have occurred while prospective buyers were inspecting the home.

Missing are $18 in quarters in a bank, a $250 necklace, a gold watch and a ring guard.



OFF-street parking progress for Mission street merchants and shoppers was made last week with the opening of this municipal parking lot off Bepler street near the post office. On hand for the brief ceremony were (left to right): Councilman Edward Dennis, druggist Eldon McGraw, Postmaster Vince Murphy, acting City Manager George Watts, clothier Mel Dubin and tavern owner Vince Merlo.

HASKINS REJECTED

## 'Second' Dump Site Nixed By Council

By 3-1 vote, the council Tuesday night turned down the use permit application of Arthur Haskins to operate a fill and cover dump site east of Coast Highway inside the city limits.

Councilman Francis Pacelli favored the permit over the arguments of attorney Conrad Reisch, who said Haskins' operation would infringe on the exclusive rights granted by the city to the Daly City Scavenger Company.

Pacelli, heeding the reasoning of Haskins' spokesman, attorney William B. Hanna, said granting the permit would be in keeping with competitive enterprise.

Haskins sought a six-months permit for the fill-and-cover project. He said the operation would be primarily for collecting refuse (building materials) and would not compete with the DC Scavengers in soliciting home and commercial garbage.

Reisch cited the efficiency of the DC Scavenger fill and cover dump west of Coast Highway and said the Haskins operation would create rate competition.

"The DC Scavenger service is the best on the Peninsula and the rate charged residents is the lowest," said Reisch. "This firm, which will renew its contract next year for 20 years, has agreed to turn over its dump property to the city. If the Haskins' dump were restricted to specific use, it would be okay with us. But if he solicits for garbage pickup, it would jeopardize our operation and influence collection rates."

Al Sereni, Scavenger president, said he did not like Haskins' proposal to pick up garbage in communities outside Daly City for dumping here.

Sereni also said his firm offers complete garbage service —including special pickups of trash (at fee)— which "seems to be taking care of the city adequately."

The council vote against the Haskins' dump site upheld the recommendation of the city planning commission.

In other main items Tuesday, the council:

1. Ordered the city manager to survey local insurance agents association to determine matter of putting city fire insurance coverage out to bid. Fred L. Martin of Security-Pacific asked the council to consider competitive bidding.

2. Continued to October 20 meeting the public hearing on rezoning the 21-acre Callan parcel along Westmoor avenue. Councilman Bob St. Clair was absent Tuesday, so the decision was postponed for full council vote.

3. Renewed contract with M&D Ambulance company for indefinite term, with a 90-days notification provision for termination of agreement. The new pact, worked out by City Attorney Paul Hupf, "tightens" city specifications for the 24-hour ambulance service. M&D ambulance attendants now must be at least 21 years old, approved by the police chief, fingerprinted, and at least one of the two sent out on a call should be certified in first aid or medical specialties. The city gets the service at no charge, the firm charging patients consistent with county ambulance association rates.

## COLMA CABBIE WINS BATTLE WITH ROBBER

Cabbie Marvin Satara of Colma got a bit angry Tuesday night when a passenger in San Francisco greeted him with a gun and asked for his cash.

Satara tried to run down his assailant, and the latter, Melvin Hall, 20, fired a .22 caliber bullet at the Colman, barely missing him .Satara then chased Hall about four blocks. San Francisco police finally nabbed the young man in a backyard off 19th street near Castro .

Hall, who said he recently arrived from Texas, was booked for robbery and assault with a deadly weapon.

Satara lives at 86 88th street.

## THIEVES RAID THREE OFFICES, BUT NO LOOT

Sweat and frustration were all burglars got in raiding three Daly City business offices on Mission street over the weekend.

Invaded and ransacked were the offices of Security Pacific Realty, 6748 Mission; J. N. Pitcher, 6825 Mission, and public accountant Ralph K. Divers, 6823 Mission.

In each case, entry was made by prying rear windows. The intruders "neatly" went through desks and cabinets, looking primarily for cash, according to the police report of Officer John Coleman.

The burglars apparently called it quits after the 500-pound safe at Security Pacific got away from them and thundered downstairs. The manager said he found pieces of a screwdriver near the safe.

### Westlaker Injured In Basement Mishap

George N. Petrovsffsky of 763 South Mayfair, suffered a possible concussion last Wednesday evening when he fell off a scaffold while painting in the basement of his home.

Mrs. Mary Petrovsffky called police when she found her husband semi-conscious on the basement floor. At first, the victim claimed he was hit on the head by the garage door.

Petrovsffsky was transferred to St. Luke's hospital after he was examined at Junipero Serra hospital.

## Watts Is Probable Selection

Daly City councilmen next Monday evening will make their choice of a new city manager. The regular session begins at 8 p.m.

The council last week had narrowed the list of candidates from 50 to six, one of whom is acting City Manager George Watts, former city finance director who has served since Howard Stites resigned last July.

Watts, whose achievements in the finance field earned him recognition at Antioch and Glendale, appears to have majority backing by the council. The motion appointing him to the job may not be unanimous, however.

## JESD Requests Money To Build Two New Schools

Jefferson Elementary School District has filed justification documents for state funds to build two new elementary schools.

Trustees expect to have three new school sites delivered within 60 days. These are the Daniel Webster site in St. Francis Heights, and the Abe Lincoln and Thomas Edison sites in Westlake Unit 10 south of the Westmoor High school.

The Webster site purchase is part of the $715,000 "package" deal on three sites offered by Zita Corporation.

The Lincoln and Edison sites lie together on 23.5 acres and should be delivered to the district by early January. The state last week released $244,445 to the district for purchase of these sites. This allocation was approved by the state on December 16, 1957.

Trustees must decide later this month which two of the three sites will be built under the district's present eligibility for state funds.

## JC Trustees Buy Central Campus Site

Trustees of the San Mateo Junior College District last week accepted the jury award in the condemnation suit of the College Heights property for the College of San Mateo central campus and instructed the district attorney to proceed with the purchase of the property at the jury-awarded price of $1,129,730.

The board approved the architectural schematic plans for the College Heights campus as submitted. This schematic planning covers access and service roads, location of buildings, parking areas, and athletic fields. The trustees authorized the architect to proceed with the design of individual buildings.

No final action was taken on the acquisition of a North County site. The board will meet in executive session on October 22 to consider the properties under final consideration. The Kavanaugh-Oddstad property off Skyline will not be further considered because of the cost of moving earth, for which no proposed solution is practical.

## $500 JEWEL THEFT IN W'LAKE HOME

The thief who took an estimated $5000 in jewelry late Monday night from the home of Mrs. Raena Hart, 8 Wilshire court, did a complete ransacking job and even ate a canteloupe from her refrigerator.

Investigating Officer Ralph Warren said the burglar used an iron bar to pry open a rear basement door for entry. The invader was unsuccessful in his attempt to break open a small safe located in the garage.

A missing suitcase probably was used by the burglar to carry off the custom-made valuables.

BY MID-JANUARY

## Traffic Signals Set For Knowles-Mission

One of Daly City's worst traffic woes will be eliminated by mid-January when traffic signals are completed at the perilous Knowles avenue-Mission street-Hillside boulevard intersection.

Acting City Manager George Watts last week was notified that the state will award the bid for the signals by December 1. Installation of the lights will take about 45 days, he esttimated.

Total cost of the project will be $24,000, $10,000 of which comes out of city funds.

The signal-less intersection long has brought public protest and has been the scene of numerous rush-hour traffic accidents.

POLICE ARE QUICK

## Two Teeners Admit Big Burglaries Here

A 15-year-old San Francisco youth and his 16-year-old pal admitted to Daly City and Broadmoor police Monday that they burglarized the Lake Merced golf course pro shop and a Garden Village apartment last week.

The pair were transferred to San Francisco police for conviction on auto theft charges.

The youngest boy, a California Youth Authority parolee, was nabbed Saturday night in a stolen '58 auto by Menlo police after a highspeed chase on Bayshore freeway.

Daly City Officer Art Linhares tracked down the 15-year-old by identification labels in clothing left at the Lake Merced pro shop when it was raided. The boy and his companion admitted taking some $315 in sweaters, cash and golf balls last week from the golf shop.

The delinquents said they returned the next day to retrieve some of the stolen property from the bushes at the rear of the golf course. During this trip, they said they invaded the apartment of Mrs. Marianne Beck, 103 Garden Lane, and stole three diamond rings, a watch, and a quart of gin. Police said the pair did approximately $1000 damage to the college teacher's apartment by slashing furniture with razor blades.

## Gateway Displays '59 Chevrolets

A complete styling transformation, along with more safety, comfort and performance, was announced today for the 1959 Chevrolet passenger car line.

The cars, which will be displayed at Gateway Chevrolet on Thursday, October 16, represent one of the most imaginative designs ever to come from the automobile industry. Gateway Chevrolet is located at 7400 Mission street in Daly City.

In shape, and in detail, the new styling reflects the influence of a space-conscious age. Lines sweep rearward in a virtually level plane. Tops are flatter and visibility is dramatically increased.

Appreciably lower, the overall appearance of fleetness is further conveyed by an adroitly sculptured frontal area. At the rear, horizontal wings branch out from the center of the deck in a simulation of mobility that might have been conceived on the sands of Cape Canaveral.

While the unusual appearance will draw instant admiration, Chevrolet has not neglected other phases of engineering in its bid to continue the sales popularity registered by the company in 1958.

Here are some of the 1959 mechanical highlights:

A new six-cylinder engine, named the Hi-Thrift because of added economy through redesign in valving and carburetion, gives up to 10 per cent more mileage, plus more usable horsepower at normal driving speeds.

Fundamental improvements in coil spring suspension, incorporating specialized controls. Refinements in the optional Level Air suspension to acquire softer, quieter operation.

Larger braking surfaces, benefitting further by flanged drums and 27 per cent more lining area provide surer stops, longer life. Tires improved for durability and reduced in rolling resistance through newly developed cords, which run cooler, offer a softer ride and last longer.

A Turboglide transmission of advanced design. One of two automatic transmissions in the

AMES NORTON

## Our Lady Of Mercy Student Tops In Fire Week Poster Competition

James Norton, eighth grader at Our Lady of Mercy School in Westlake, has been named winner of the top award in the fire department's annual Fire Prevention Week poster contest.

Young Norton will be presented a giant trophy by the chamber of commerce, which co-sponsored the competition. The judges last week viewed approximately 700 entries, submitted by children, grades third through eighth, in the 13 elementary and three parochial schools here.

Other winners and runners-up: Eighth grade, first prize, Liliana Malaspina, Our Lady of Perpetual Help; second prize, Kerry Myers, Our Lady of Mercy. Seventh grade, first prize, Judy Vlakovich, Our Lady of Mercy; second place, Billy Hamilton, Our Lady of Mercy. Sixth grade, first prize, Joan Navarra, Crocker; second place, Joannie Lahe, Jefferson. Fifth grade, first prize, Judy Hargrove, Benjamin Franklin; second place, Judy Majaurow, Westlake. Fourth grade, first prize, Betty Ann Lybrand, Crocker; second place, Diana Cimino, Jefferson. Third grade, first prize, Michael Sattel, Garden Village; second place, Susan Williams, Westlake.

The first place winners will receive trophies from the fire department. Medallions will go to the runners-up.

The winning posters are on display at Penney's store in Westlake through this Friday.

Judges for the contest, supervised by Fire Battalion Chief Frank Specht, were Louis Pisani, representing the chamber of commerce; Ray Lorenzato, Jefferson High School art instructor; and Fire Captains Dick May and Allen Brush.

BEN Franklin School's fifth through eighth graders were all eyes last week as Daly City firemen demonstrated their skills as part of Fire Prevention Week. Chief Elmer Kennedy's men staged similar performances at all Daly City public and parochial schools.

50TH BIRTHDAY

## South City Parade To Attract 70,000

Daly City will join its Peninsula sisters this Sunday in South San Francisco's Golden Jubilee parade, ending the month-long celebration of the Industrial City's 50th birthday.

Bill Borba, veteran California parade chairman, reports the parade will feature 218 marching units, floats and drill teams from communities throughout Northern California.

Participants include military bands, the San Francisco Chinese band, 49er majorettes, and the San Mateo County Sheriff's posse.

Daly City will be represented with a float and in the car caravan by Mayor Micheal DeBernardi and Mary Cunningham, "Miss Daly City."

Mayor Guido Rozzi of South San Francisco says the four-hour parade is expected to attract more than 70,000 people. The day's festivities will be climaxed by a barbecue dinner, sponsored by the SSF Junior Chamber of Commerce, at Orange Memorial park.

The parade starts at 1 p.m. and onlookers are asked to arrive early to assure parking space.

## It's Strawberry Time

Here's a new version of Strawberry Shortcake that is both delectable and different! It's a fine way to use left-over cake, too.

Sliced berries are folded into whipped strawberry chiffon mix, and molded in a tube pan with pieces of sponge cake until the pan is filled. When chilled, turn out and decorate.

Chiffon Strawberry Shortcake is a real party dessert—an easy and inexpensive way to please those who love strawberries.

**Chiffon Strawberry Shortcake**

- 1 pint washed, hulled, fresh strawberries
- 1 tablespoon sugar
- 1 package strawberry chiffon pie filling mix
- 1 baked 8-inch sponge layer, broken into ½-inch pieces (4 to 5 cups)
- Whipped cream (about ½ cup before whipping)

Set aside 10 or 12 whole strawberries for garnish. Cut remaining strawberries in thick slices. Sprinkle with sugar.

Prepare filling as directed on package—takes about 4 minutes. Fold in sliced strawberries. Spoon a third of the mixture into a 9-inch tube pan. Cover with one-half the sponge cake pieces. Repeat layers, using another third of the filling and remaining cake pieces. Cover with remaining filling. Chill until set—about 2 or 3 hours.

Loosen cake from sides of pan with knife or spatula and unmold. Garnish with whipped cream and remaining strawberries, cut in half. Makes 8 to 10 servings.

## Molasses Treats For Halloween

Even ghosts like to eat on Halloween. So for party masqueraders, have lots of good, crisp and inexpensive molasses cookies on hand. A favorite gingerbread boy dough can be made in the shape of pumpkins, witches and cats. The only trick is cutting the dough in rounds and using a bit of frosting to bring out the face features. Along with the rolled cookies, make a pan of molasses fruit squares and spread them with orange-tinted frosting. Served together, the crisp and bar-type sweets, will make fine go-alongs for a hot drink.

**Molasses Fruit Squares**

- ⅓ cup shortening
- ¼ cup sugar
- ¼ teaspoon baking soda
- 1 teaspoon salt
- 1 teaspoon cinnamon
- ⅔ cup unsulphured molasses
- 1 egg
- 1¼ cups sifted flour
- 1 cup finely-cut dates
- ½ cup chopped walnut or pecan meats

Cream together the shortening, sugar, soda, salt and cinnamon. Beat in molasses, then egg. Stir in flour, dates and nuts. Spread in a greased and lightly-floured 9 x 9 x 2-inch baking pan. Bake in moderate oven (375°F.) 25 minutes. Cool. Turn out on cutting board or plate. Make confectioners' sugar frosting adding 1 tablespoon grated orange rind and tint orange with a few drops of food coloring. Frost. To cut into squares, make 5 cuts one way and cross with 5 cuts. Makes 36 squares.

## Royal Food—Regal Strawberry Pie

We are sure you'll enjoy cooking with preserves and we know that this particularly good recipe for Regal Strawberry Pie will meet with hearty family approval.

It is one of many recipes recently developed which uses jellies and preserves as ingredients—a new concept in the dessert world.

REGAL STRAWBERRY "PHILLY" PIE

Cream one 8-ounce package Philadelphia cream cheese until soft and smooth. Blend in ½ cup sugar. Beat 3 eggs slightly, add ½ cup milk and 1 teaspoon vanilla. Slowly add to the cheese mixture, stirring until well blended.

Pour into a 9-inch pastry shell which has been baked in a hot oven, 425°, for 5 minutes. Bake in a moderate oven, 350°, for 25 minutes. Cool. Spread the contents of one 12-ounce jar of pure strawberry preserves over the top and garnish with whipped cream.

## St. Veronica's Fashion Show This Saturday

St. Veronica's Women's Club will present its seventh annual fashion show, "Silhouette de l'Automne," this Saturday, beginning at 12:30 p.m., at Villa Hotel in San Mateo.

Dryer-dried things are softer, nicer

To see just how much softer and fluffier an automatic dryer gets things, try stacking five dryer-dried towels next to that many sun-dried ones. You'll see the dryer pile is a good 30% higher—that means 30% softer and fluffier. So along with their speed and ease, automatic dryers dry even better than the sun. And there's no lugging. No weather worries or sun-baked wrinkles to iron-out. You just push a button and the job's done—softer, fresher, fluffier.

# OLD PROBLEM AT JEFF HIGH

**Motorists who pass in front of Jefferson High on Mission street continue to be infuriated by the attitude of students going to and from the school.**

**While pedestrian safety at the busy crossing should be foremost in the minds of all drivers, we feel the students themselves have an obligation to cooperate to avoid accidents and bad feelings.**

**The students are pretty much on their own in crossing the street since city requests for traffic signals have been nixed by the state. It is unfortunate that too many Jeff students take their time and actually antagonize drivers by "strolling" across the street instead of moving carefully and swiftly.**

**The problem is nothing new to Jeff's administration. Sometimes it is difficult to get teenagers to follow advice that they consider routine and unnecessary. And their parents never give a driver the benefit of the doubt—even though most of the ill feeling is caused by students.**

**Unfortunately, it might take a fatal accident to make these students realize that the words of caution are well spoken.**

**Perhaps the school should consider appointing student or faculty traffic officers at this one crossing. Daly City police can't do the job alone. The strollers and stragglers, we feel, need adequate supervision before it's too late.**

### Westlake Baptist Anniversary Dinner Scheduled Friday

The eighth annual anniversary dinner meeting of Westlake Community Baptist Church, Southgate and Elmwood drive, will take place this Friday night at 6:30 o'clock in the lower auditorium of the church.

A program featuring home talent will take place around the tables, presenting the mission of the church of the past, present and future. All friends of the church are invited and may make reservations by calling PL 5-8095.

National Laymen's Sunday will be recognized this Sunday when the laymen of the church will speak and sing in the morning service. The Rev. B. G. Jacobson will preach in the evening service on the subject, "If I were a Layman." This Anniversary Sunday evening service will close with a coffee hour sponsored by the Men's Fellowship.

### Murphy Tells Overseas Xmas Mail Deadlines

The period November 1 to November 20 has been designated for the mailing of Christmas parcels and cards to members of the armed forces and their families stationed overseas, Postmaster Vincent P. Murphy of Daly City announced today.

Air mail may be mailed up to December 10 to assure delivery to the military in time for Christmas.

Surface mails may be mailed up to November 20 in order to arrive before Christmas. Surface mails are limited to 70 pounds in weight, except that a limit of 50 pounds applies to certain New York APO's. One-hundred inches in length and girth combined is the maximum size, except for smaller limitations, names of which APO's may be obtained from any window clerk of the Daly City Post Office.

On certain articles, customs declarations must be affixed, and certain articles are prohibited at certain APO's. Persons sending boxes are asked to use strongly constructed materials such as wood, metal, fiberboard or doubly faced corrugated fiberboard. Addressing should be by typewriter or in pen and ink.

Postmaster Murphy also pointed out that Christmas greeting cards to members of the armed services should be mailed within these same dates.

### 'Grand Coup' For Scouts Set In SSF

South San Francisco and Daly City Cub Scouts will hold their third annual "Grand Coup" this Saturday at Orange Memorial Park, starting at 7:30 p.m.

Started in 1956 by four South San Francisco Commissioners—Dean Knight, Harold Humber, Norman Kingsley and Ray Stull, the Grand Coup provided proper recognition for achievement, an important factor in helping a boy grow.

A ritual team was built around the idea of Akela and his Indian braves, adding the color of the American Indian to the warmth and fellowship of the campfire.

The objective of the team is to promote and encourage appealing ceremonies for various Cub Scout ranks, to see that a boy graduates into Boy Scouting and is invited into a local Scout troop by the scoutmaster, and to show each Cub Pack that other people are vitally interested in their boys.

Since its inception the Grand Coup has made over 278 awards and attendance has reached 4000.

The program this year will include Indian dancing, the devil dance and the eagle dance. There will be a recognition of Cub Scouts who have advanced to Wolf, Bear, Lion or Webelos, as well as those who are now joining as Bobcats.

Parents and friends of the Cubs are welcome to attend.

### W-Wilson Students Learn About Japan

Last week the students in Mrs. A. Shaw's fifth grade enjoyed a discussion of the customs of the Japanese when Captain Helen M. Thompson of the U. S. Air Force stopped in Daly City enroute to Japan.

Captain Thompson visited Arnold Deagle, now enrolled in Woodrow Wilson, formerly a student in the Virginia schools.

The students intend to correspond with Captain Thompson who is chief librarian at an air base in Japan.

### Pedro Valley PTA Hosts Supt. Lucas, 2 School Trustees

Laguna Salada School District Superintendent Fred Lucas and board members William Croman and Walter Henkel spoke to an audience of 230 parents and teachers at the first meeting of the Pedro Valley PTA last Thursday. Many questions were put to the panel for discussion.

President Mrs. Richard Radomski advised the membership of the Block Parent Program which will be in effect at once. One parent volunteer in each block will maintain a constant surveillance over children at play and will provide a shelter for lost children. These homes will display a sign, with which the children are familiar, so that a child may go to them when he is frightened or needs help.

"Back-to-School Night" plans are in progress. This annual program provides an opportunity for parents to visit their children's rooms and meet the teachers. It is a part of the district-wide policy to inform parents about the curriculum offered Laguna Salada pupils.

# YWCA Presents Forum Here On Election Issues

Next Tuesday, October 21, the local YMCA,in cooperation with the League of Women Voters, will present a nonpartisan analysis of State propositions on the November ballot. This forum will be held from 10 a.m. to noon at Westlake Clubhouse in Westlake Park.

The YMCA, as part of its national Public Affairs Program, offers this program of citizen-education to its members and to the public free of charge. Arguments both for and against state propositions will be given, and there will be opportunity for questions from the audience. Literature explaining the propositions will be available.

Coffee will be served by YWCA hostesses, and for the convenience of mothers who have young children, a supervised playroom will be available for children from 2 to 5 years of age.

This forum is one of a series of meetings of general interest being offered by the North San Mateo County Unit YWCA.

### Dance, Rally Set At Pacific Manor Friday Evening

Pacifica Citizens Committee will stage a pre-November election dance and rally this Friday night at Pacific Manor.

Stan Jacobsen's band will play for the festivities, to be held outdoors in the Plaza or inside the school, depending on the weather.

Friday's event begins at 8 p.m. with a motorcade starting at Linda Mar. Dancing starts at 8:30 o'clock.

### Troop St. Anne Tells Fall Plans

The first Septemer meeting of Troop St. Anne, Junior Catholic daughters, was held at the home of treasurer Joanne Cattaneo. Duties of the new officers and immediate projects were discussed.

Nancy Hartl is new president of the group. Vice president is Barara Rosa. Maria Montalvo is secretary and Kathleen Lewis is reporter.

Later last month the girls held their first court meeting. Their projects include making pads for cancer patients and collecting stamps and old beads for the missions.

### Islam Unit Sets Open House Event

Islam Chapter, Order of De Molay, has completed plans for an "Open House" party, according to Richard Ebert, master councilor of the chapter. The program, open to all boys between the ages of 14 and 21, will include a judo exhibition.

The affair will take place on October 17, 8 p.m., in Richmond Masonic Temple, Arguello boulevard and Clement street.

### B'nai Israel Meets Sunday Evening

Congregation B'nai Israel will assemble this Sunday evening at 67 Los Banos avenue, starting at 8 o'clock, to discuss religious matters pertaining to the welfare of the congregation.

# SEA SCOUTS VISIT FORT MASON, CROSS BAY ON MILITARY SHIP

The latest activity of Westlake's Sea Scout Ship 248, sponsored by the Westlake Improvement Association, was a visit last Saturday to the Fort Mason port of embarcation. Under supervision of Skipper Jay F. Irick and his assistant, Robert Gunthorp, the scouts were welcomed at the base, boarded the USS Shanks of the Military Sea Transport Service, and as personal guests of its captain, rode the vessel to its berth at Oakland.

Highlighting the tour were tours of berthing facilities, and a trip through the ship's engine rooms and technical compartments.

On the previous weekend, the unit moved to Stockton for the Annual Regatta of the Forty-Niner Council, Boy Scouts. Participating in all competitive events offered, Westlake's Sea Scouts took several individual places. Final outcome was award of a plaque for distinguished achievement in which one first place and two second places in unit achievement were cited.

Ship 248 placed fifth among 22 Northern and Central California Sea Scout and Explorer Scout groups.

On Saturday, October 25, the parents committee will hold its annual potluck at the WIA auditorium. Tickets are now being sold at a dollar each by the committee, Irick and Gunthorp. The supper is expected to aid the group in its purchase of a new boat, to be installed for Sea Scout use at Lake Merced.

Active in community affairs, the unit participated in recent clean-up activities on Alemany boulevard through Westlake frequently furnished color guards for PTA and WIA meetings, and again as last year, will furnish members to assist with the annual Halloween activities in Westlake Shopping Center.

Boys 14 years of age or older are invited to join by contacting Irick at the Westlake Bank of America, or by telephoning Gunthorp at his home, HI 5-2181. No previous scouting experience is required and all applicants are welcomed.

### Faculty Club Plans Tea At SF State

The Women's Faculty Club of San Francisco State College will honor 90 new faculty women and wives of new faculty men at its opening tea this Friday from 3 to 5 p.m., in the faculty dining room.

Proceding the tea, Mrs. Glenn S. Dumke, wife of the college president and honorary president of the club, will meet with representatives of the press at a luncheon in the home of Mrs. David Potter, to discuss "the aims of the Women's Faculty Club and its role in community relations."

### Blushing Burglar?

The burglar who entered the apartment of Shirley Steinberg, 161 Crestwood drive, late Sunday took ladies' "unmentionables" valued at $69.

The thief made off with eight slips, eight brassieres, 12 pair of panties, one girdle and two garters.

Entry was made through an unlocked bedroom window, police said.

# The Town Record

By Roy Hurlbert

Trustee MIKE CALLAN, Jefferson Elementary school board, believes in privacy.

Monday night he asked his cohorts to consider an expenditure for soundproofing the trustee meeting room—the one used when personnel talks are held.

By law, the public is excluded from these sessions.

* * *

Callan, one of the busiest gents in town, had a laugh on himself recently when he got locked "in" the district's main office. Seems Mike went to the washroom after a late board session and by the time he got ready to leave, everyone else had departed.

Mike, we're told, had to climb through a second story window and shimmy down a pole to get to the street.

Westmoor High students are in the process of picking a school "fight song." The guys and dolls want something unique—in keeping with the uniqueness of the school.

In case you didn't know, outside TV aerials are not allowed on apartments in Westlake. Oddly enough, the reception minus the outside "ears" is fairly good.

Councilman Bob St. Clair reminds us that he was just "one of many" interviewed for the job of Tarzan in the movies. He says he isn't sure what the Hollywood scouts thought of his potential for the role.

Ex-Councilman SANFORD VICKERS and ED MURPHY, former Westlake Improvement Association director, have been keeping in the public eye, attending many city meetings with regularity.

It's probable both will be council candidates again next time.

### New Safeway Store Being Built Here

Construction of a new Safeway supermarket at 260 Washington street, Daly City, has begun, according to an announcement made today by Quentin Reynolds, San Francisco Division Manager for the chain.

The 100-foot by 150-foot building will have 15,919 square feet of floor area. Parking for over 100 cars will be provided.

A unique feature of the new store will be a special unloading dock designed to permit palletized delivery of all commodities.

Designed by the San Francisco architectural firm of Wurster, Bernardi and Emmons, the low, rounded roofline building will be constructed by MacDonald, Young and Nelson.

Opening is scheduled for February next year.

### Bishops Committee Of St. Martin's Meets Thursday

Meeting under the guidance of the Rev. Allen J. Downey, the Bishops Committee of St. Martin's Episcopal Church will hold their monthly meeting this Thursday evening at 777 Southgate avenue in Westlake. One of the main topics for discussion will be financing and improvements for the church.

Members of the committee include Mrs. John Ellis, Mrs. Reuben Hunt, Mrs. Jack R. Baker, U. R. Kendree, Don Davis, Glenhall Taylor Jr., Joeeph Streiff, Richard Verney, Richard Wainwright, and Mervyn Stang.

Other events this week include Junior Choir meeting on Friday at 4:15 p.m., under the direction of Mrs. John Snyder; Confimation class for young members of the church, on Saturday morning at 9 a.m., and Acolytes and Junior Alter Guild, Saturday morning meeting

AWARDED $100 for superior work, Patricia Hirshfeld of Daly City is congratulated by Capt. John McQuilkin, commander of the U.S. Radiological Defense Laboratory. Mrs. Hirshfeld resides at 41 Alpine way.

STREET OF CHURCHES

# Daly City's Charles Becker Wins Move To Name 'Brotherhood Way'

Brotherhood Way, an abbreviated street where two churches are located and where a half dozen others are planning to build, was brought about largely through the efforts of a Daly City attorney and church leader.

It all began about three years ago when Charles Becker, former Colma judge now a candidate for the Northern Municipal District judgeship, entered the scene as president of Congregation Judea.

His church was negotiating to buy a building site on what was then Stanley drive, north of Westlake and just within the city limits of San Francisco.

Coincidentally, the Greek Orthodox Church also was planning to build on the same street. So Becker extended the hand of brotherhood. He worked on negotiations for both sites.

Later, when other churches became interested in locating on Stanley Drive. Becker decided its name should be changed to "Brotherhood Way," as it was becoming a meeting place for many denominations.

Armed with a persuasive argument, he appeared before the San Francisco Board of Supervisors and requested the change, and after much discussion his proposal was accepted.

Stanley Drive became Brotherhood Way.

## Jeff High Student Hurt In Classroom

A 16-year-old Jefferson High student required hospitalization Friday after he severely cut his right arm in his classroom.

Teacher Julianne Jensen said J. Gerald Bruce accidentally pushed his arm through a window. The boy was taken to Junipero Serra hospital by Daly City police. He later was moved to Community hospital.

Said a candidate, touring the nation,
As he finished a ten-hour oration,
"I'd talk longer by far
If my throat, like my car,
Could have Union Stop-Wear Lubrication!"

# NORTH COUNTY ONE OF FASTEST GROWING COMMUNITIES IN STATE

One o fthe fastest growing areas in Northern California supports the Westlake Shopping Center, a complete one-stop 70 shop center.

Carved from artichoke and cabbage fields, Westlake today is the center of northern San Mateo county, and the Westlake Shopping Center is the hub of the area.

Boasting one of the most complete centers, the 70 shops range from hardware to hobby stores. In between there is a selection of large nationel chain stores and smaller independently owned and opperated speciality shops.

**STARTED IN '49**

Started in 1949, Westlake was just a row of stores with a super market as the nucleus. Now, with the building of the new super market in Westlake Court, the center has developed into its own, with shops spread out over a four block section. Southgate avenue, with its stores and business offices, plus the Department of Motor Vehicles and the United States Post office, is gaining more and more traffic, with the resultant increase in business to the retailers on the street.

Erection of apartments houses on Park Plaza drive and on Southgate, adjacent to the new bowling alley, will bring an increase in the population of the area. Just 15 minutes from downtown business offices, Westlake offers an outstanding home opportunity for the working people. The new 600 apartments, under construction and projected, will bring another 1000 residents to the immediate area of the shopping center.

**MILESTONE**

Completion of the market next year will mark another milestone in the building program of the area. The new market, with nearly 60,000 square feet, will be the largest in northern California, while the new shops to be built along Westlake Court will bring new tenants to the shopping center. New additions to Westlake Shopping Center, both on Westlake Court and Southgate, will raise the store population to over 80, it was announced. Plans are afoot to bring in several well known name stores to fill out the shopping needs of residents of Westlake and the surrounding area.

With everything designed to make shopping easier, most shops have access in both front and back, while adequate, wide parking areas are provided. One of the features of the center is the wide parking stalls, with "hairpin" lines allowing more room for opening of car doors, and giving easier access to cars for the placement of bulky packages.

It's a great victory for all of us!

Today, in all Chevrolet dealerships, a new federal law went into effect. It requires that every new 1959 American-made car... regardless of make... must have a price sticker on its window. This sticker gives the complete factory-suggested list price of the car... options and accessories... delivery and handling charges.

*This is a great victory for all of us!*

For you – because now you will know *exactly*... to the penny... the suggested list price of the '59 model you buy. You will now have the full benefit of the method of selling automobiles that we Chevrolet dealers have long sought to accomplish... the elimination of "hidden" charges to cover "over-allowances" on your trade-in. You'll be able to buy with complete confidence. Every transaction will be clean ...straightforward... fair.

For us – because it means we've finally won a long fight for a law that would rid our industry of the devious practices of a small minority of unscrupulous dealers. No longer will the majority of responsible franchised automobile dealers be embarrassed by the sharp practices of a few.

We're proud of the part we played — the fight we made — to have this new law enacted. We Chevrolet dealers joined with thousands of other responsible automobile dealers throughout the country... and with your elected representatives in Congress... in backing this desirable reform.

## National Magazine Features Westmoor

Editors of Fortune magazine selected a picture of Daly City's Westmoor High school for the front cover of their October issue.

The national publication cited the local school for its unique design, mentioning Architect Mario Ciampi.

The magazine did not identify Westmoor with Daly City, however. Its reference to the school said Westmoor was located "outside San Francisco."

## Scout Leaders Ready To Attend 'University'

San Mateo County Council Cub Scout, Boy Scout and Explorer leaders will be offered 21 training courses during the second annual University of Scouting held at Hillsdale High School, October 17, 24 and 25.

Courses scheduled for cubmasters, assistants, den mothers and pack committeemen are program planning, den meeting, pack meeting, pack administration, den mother-den chief relationships and Webelos Conference given this Friday, 7:30 to 9:30 p.m.

Three Boy Scout leader courses, troop committee, advancement and leadership will also be offered Friday evening.

These courses will be repeated on October 24, 7:30 to 9:30 p.m. and October 25, 9:30 to 11:30 a.m.

A Cub Leaders Pow Wow will be offered only once, October 25, from 9 a.m. to 3 p.m.

The Junior Leader Conference for patrol leaders, senior patrol leaders and other junior leaders in Scout troops is scheduled only once, October 25, 1 to 4 p.m.

The new Explorer program will be presented for the first time at the University of Scouting. The new basic course will be offered twice. One course will be given October 17 and October 24 at 7:30 p.m. and October 25 from 2 to 4 p.m. The repeat course will begin October 25 at 9 a.m., closing at 4 p.m.

The University of Scouting is conducted under the direction of the Leadership Training Committee of the San Mateo County Council, Robert L. Coss, chairman.

### Banks Get Water Bill Service Hike

The council has given local banks a five-cent fee raise for collecting city water bills. Effective November 1, the banks which provide the service will deduct 10 cents per bill.

Authorization came after the council reviewed a cost analysis report from the bank and their request for a rate increase.

## Stoneson Buys New Home Tract Along Skyline

Henry Stoneson, president of the Stoneson Development Corporation, this week announced the purchase of 150 acres along Skyline boulevard in San Bruno, adjacent to Rollingwood.

The land, purchased for approximately ¾ of a million dollars, will be developed for some 750 Stoneson homes. Grading of the property will commence immediately and construction of $13,000 to $16,000 homes will begin on December 1. Five million yards of earth will be moved during the grading process.

The new development, which stretches some 3000 feet along Skyline boulevard, will be known as Skyline Park.

Stoneson Homes will start at once to construct California style ranch type homes, employing a blend of the modern and traditional architecture so suitable for California living. All the homes will be three-bedroom, two-bath and family room structures, with "king size" two-car garages built in.

In the past 33 years, the Stoneson organization has constructed some 20,000 dwellings in the Bar Area.

## DC's Ron Baker On Video Show

Ronny Baker, 11-year-old sixth grader at Benjamin Franklin school, appears each Sunday as a student demonstrator on the "Explorers of Tomorrow" television show.

The KRON program, starting at 1 p.m., is in its third year. It offers science features for intermediate school boys and girls. Dr. Robert T. Orr, on the staff of the University of San Francisco and the California Academy of Sciences, is science interpreter for the program's present series.

Ronny is the son of Mr. and Mrs. Jack R. Baker, 844 Beechwood drive.

## COPS SELLING TICKETS TO ANNUAL BALL

Tickets are being mailed out today to all residents of the Peninsula for the Policeman's Ball of the Peninsula Police Officers association to be held November 1 at 8:30 p.m. at Bay Meadows clubhouse.

The orchestra of Jack Fisher will play for the dance which is the high spot of the year for area residents. All proceeds from the dance go the widows and orphans fund of the association.

The non profit affair is being handled by a committee of police officers under the direction of Fratis Link of Sunnyvale. President of the association is Officer Ernest Lena of Hillsborough.

Officer Hank Sundermann is in charge in the Daly City area.

## 'What To Do If Disaster Strikes' Is Snell PTA Feature Next Week

In case of a disaster during school hours, who should care for your child? Should schools dismiss youngsters to find their ways home? Should your offspring be evacuated to safer areas?

The replies to these and many other questions will be answered next Tuesday evening when the James Snell PTA holds its October membership meeting at 8 p.m. in the Garden Village multi-use room.

Snell, which currently serves only the Garden Village school, is actively cooperating with the Daly City Disaster Council. At the October 21 meeting, representatives of local and county disaster groups will be among those present to hear San Francisco's famed police inspector William J. Osterloh who is the full-time planning and training officer for the San Francisco County and City Disaster Council and Corps.

Inspector Osterloh will cite the neighboring county's measures to insure parental peace of mind should disaster strike during school hours.

The unit's safety and juvenile protection chairman, Broadmoor Chief of Police Ray Savage, will introduce the speaker. The program has been planned by Snell's civil defense chairman, Mrs. H. Cliff Warner.

All parents and interested friends are cordially invited to attend the meeting, which, it is hoped, will serve as an "awakening" to the need for a working disaster plan here.

## 'Gam' Program Is Planned By Mariners

Mariner Girl Scouts of Ship 13 of Daly City-Colma are planning many events for the future.

Planned this Saturday, in Burgess Park at Menlo Park, is a Gam, or skills day. A "Gam" is a school of whales. During ancient days when whaling ships went out on the ocean, they would tie up and test skills in the nautical line. This is how the idea originated. Now the Girl Scouts get together and test their skills.

Mariner Girl Scouts from 18 different ships from Ukiah, Sacramento, and the various Bay Area cities will participate in the all-day affair.

Registration will start at 8:30 a.m. and the program will close at 11:30 p.m.

These are the skills that will take place: inspection, knots, drills, life-saving, mariner quiz, navigation, ring buoy toss, boat identification, medley swim, heaving a line in rescuing a boat, freestyle swimming, lashing, small boat handling, whipping and splicing, semaphore (flag signals) and first aid.

Each ship is responsible for the setting up demonstrations on one of these skills. A cookout will follow this program, after which the Sea Scout Explorers are invited to a dance.

Skipper Robert A. Harker, Ship 9 of the Sequoia Council, will act as hostess.

### Pity The Culprit

Daly City Police Officer Al Nicolini has a personal interest in catching the thief who stole a simulated mink coat from a car at Westlake Shopping Center last week.

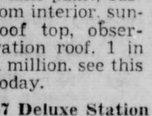
The coat, valued at $100, belonged to Nicolini's wife.

## World War I Vets Sought Here By State Organization

The Veterans of World War 1 will hold an open meeting in Daly City in the near future. The purpose of the organization is to secure for World War 1 veterans the same policy of treatment by the Government, both federal and state, that was accorded to Civil War and Spanish American War veterans.

Department Commander Ed Neron is anxious to contact World War 1 veterans residing in Daly City.

All World War 1 veterans residing in Daly City and vicinity are requested to register by sending their names, addresses and serial numbers to Veterans of World War 1, 201 South Mission Drive, San Gabriel, California.



**WHAT'S DOING**
A. C. Latno, your Telephone Manager in Daly City

**When you think about** national defense, you may not think of telephones right away. Fact is, though, you'll find phone lines at the heart of our defense setup. For instance, long-range bomber bases of the Strategic Air Command depend on phone lines for trigger-fast communication; and in our test centers, like the one shown above, we keep a never-ending watch on these vital communications pathways. Phone lines also keep the Air Defense Command in split-second touch with missile launching sites. Telephone men from the Pacific West have also helped build other defense communications systems. We're happy that our people can help—in these and many more ways—to keep the U.S. strong.

**What a comfort** it is to have a telephone at your bedside. It gives you a feeling of security to have a phone within your reach. And when it rings you can just reach out and answer it! A bedside phone adds beauty to your room, too. You can choose from nine decorator colors. And the cost is low. Just $1 a month after a one-time installation charge. # Jeff High PTA Hears Mongan; Appoints Pair

The second fall semester meeting of Jefferson High PTA was held Thursday evening in the Little Theater, with Mrs. Beatrice Greenameyer, unit president, presiding.

The brief business meeting was marked by the resignation of Mrs. Mae Painchaud, vice president. By unanimous vote, Mrs. Dora Kusber was appointed new vice president and Mrs. Roselle Reginelli new corresponding secretary.

Mrs. Hilda Heagney read the character thought of the evening, after which Mrs. Byron Jensen, program chairman, introduced Principal John Mongan.

Mongan introduced his faculty after words of welcome, then discussed the district's insurance coverage for students under the CIF Protection Fund. He explained that this was a voluntary insurance program for an individual fee of $3.50. If students already are covered by their parents, the district insurance is unnecessary. This insurance covers bodily injury and runs throughout the school year.

After the meeting was adjourned, refreshments were served in the cafeteria.

The Jeff High PTA membership drive is well under way. Parents desiring more information should call Miss Ada Wood, PL 5-6661.

Next meeting will be on November 13, in the Little Theater, starting at 8 p.m. Arthur Carr, director of the audio-visual program, will present a brief resume on the subject. Mrs. Marion Kramer will demonstrate two machines. Two other teachers, Donald Carlson and Peter Lorenzato, of the art staff, will show slides.

WHY...
The Administration
OPPOSES a
'Right-to-Work' Law
(PROPOSITION 18)

James P. Mitchell, appointed by President Eisenhower to serve his cabinet as Secretary of Labor, voiced the Republican Administration's opposition to "right-to-work" laws Aug. 31 on "Meet the Press":

**"If I were voting in California, I would vote against 'right-to-work' legislation . . .**

"I believe that the practice in American industral relations is such that the union shop which, after all, comes about from an agreement between management and labor, is a perfectly legal, a perfectly moral arrangement."

Mrs. May Craig of the Portland, Maine, Press-Herald, then asked Secretary Mitchell:

"May I ask this: Don't you think it is the closed shop and the union shop that has made it possible for the corruption and the exploitation of members revealed in the McClellan committee?"

SECRETARY OF LABOR
JAMES P. MITCHELL

Secretary Mitchell: **"No, I don't think there is any relationship**, Mrs. Craig, and let me tell you why: . . . In the State of Tennessee, which is a 'right-to-work' state, the McClellan committee discovered 173 cases of violence, gangsterism and hoodlumism. Some of the most violent reactions we have had in labor strife — and I will give you the names of the strikes — the Southern Bell strike of two years ago and the Louisville and Nashville Railroad strike of a couple of years ago—incited violence, rioting and all the other things which are bad. **THESE ARE 'RIGHT-TO-WORK' STATES."**

THE LAW NOBODY WANTS

Secretary Mitchell's statement aligns the Republican Administration alongside Democratic leaders, many leading industrialists, farmers, religious and civic leaders, union members and others in opposing so-called "right-to-work" legislation that would injure labor peace and do needless harm to our communities.

## W'lake Merchants Promotional Plans For '59 Underway

Promotional plans for 1959 are under consideration, according to Stan Sugarman, head of the advertising committee of the Westlake Business and Professional association.

With the first big merchandise event set for the third anniversary of the opening of the center, plans call for one of the most extensive celebrations ever seen in the northern part of San Mateo county.

A flower show, with awards to winners; an outdoor merchandising event; entertainment and prizes all are on tap for the celebration, tentatively set for March or April of 1959, Sugarman stated.

In addition, several outstanding displays are to be staged throughout the shopping center during the year, while entertainment features are on tap for the entire year, he stated.

## Faculty Panel, Safety Feature Snell PTA Meet

Open parent-teacher discussion of student problems with "no holds barred" was the highlight of the Benjamin Franklin PTA meet in the school auditorium last week.

Principal Fred Schweickhardt, as narrator, with a school faculty panel of Dr. Mildred Moorin, Harry Aronson, Jesse Parks, Norman Sanden, William Jonas and William Mendoza, were given an opportunity to answer numerous questions concerning the present educational program for some 1000 fifth through eighth graders. Subjects of interest such as physical education, shop, speech, music, social studies, home economics, homework, grouping of students and report-card grading were covered.

Schweickhardt observed that public interest in education is mounting with the recognition of the school as "a vital element in the social scheme of events."

Guest speaker was special agent B. V. McCabe of the Southern Pacific Company who spoke about the hazards of children playing on or near railroad property, throwing rocks at trains and placing obstructions on railroad tracks.

McCabe pointed out the pressing need the railroad has for the cooperation of parents and teachers in helping to curb such depredations.

An impressive motion picture "Dangerous Playground" was shown by McCabe.

TANIA Velia, with paint brush in hand, reminds Bay Area families that the 6th annual Do-It-Yourself Show runs at the Oakland Exposition Building for 11 days, October 16-26.

## Mariner Girls Enjoy Weekend Near Fairfax

A recent pleasurable occasion for Mariner Ship No. 13 was the weekend overnight outing at Bothin Youth Center near Fairfax. Camp Bothin is the San Francisco Girl Scouts' day and permanent camp.

The girls arrived on Saturday at 10 a.m. and returned Sunday at 3 p.m.

The Daly City Mariners were the guests of the San Francisco Girl Scout Ship 236, whose skipper is Mrs. De Mandel, and Girl Scout Troop 169, whose leader is Mrs. Knudson.

The chief activity enjoyed by the scouts was swimming in the new pool. Following the swim, the three troops cooperated in a cook-out with each group preparing a portion of each meal partaken. The girls enjoyed turkey dinner.

For 11 years, this Girl Scout troop has had the same troop number, 13. For them, it is the synonym for good luck. By a strange coincidence, 13 girls attended the outing with adult leaders Mrs. R. Damon and Mrs. H. Dennis.

The 13 who attended were: Diane Calvin, Sharon Cook, Susan Damon, Caroline Dennis, Allene Downey, Arlene Hansen, Joan Hillman, Joan Jensen, Diane Lanero, Joyce McCowan, Linda McCowan, Cecile Oliver and Rhea Stafford.

## City Finance Chief Tops Field Of Fifty

**Former city finance director George W. Watts became Daly City's new chief administrator Monday night by 4-1 vote of councilmen.**

**Ex-mayor Joseph Verducci cast the lone "no" ballot on Watts, 40, as new city manager, though the councilman said he was satisfied that Watts' work here "has been very efficient."**

Watts, who lives at 23 Northgate in Westlake, has been acting city manager since the July resignation of Howard I. Stites. The new city manager —second man to hold the title here—was city controller of Antioch for five years before he came here a year ago.

Watt's salary this fiscal year will remain at $12,000, the amount authorized when he took over the manager's job in July. Stites was salaried at $15,500 per annum.

Verducci's negative vote on Watt's appointment was based, he said, on what he considered "a violation of an agreement of the council."

The former mayor said the council had agreed to select the new manager from one of the top five applicants recommended a... interviewed ... State Pe... a.m. st... ing com... ber 19th

## West[illegible] Sweep — [illegible] Lose To [illegible]

Westmoor High [illegible] basketballers broke [illegible] week, sweeping [illegible] Francisco's two squads [illegible] day, then losing a pair [illegible] day to Burlingame.

Tony Giammona's Ram 10's trimmed South City, 28-22, but lost to Burlingame, 32-12. The Westmoor 20's tripped SSF, 34-33, and were edged by Burlingame, 25-24.

[illegible] of the 10's scored [illegible]nst SSF and led against Burlingame with eight points. For the Ram 20's, Pat Russo tallied 13 in the SSF tilt and 7 against Burlingame.

## County's Building Trades Council Urges 'No' On Proposition 16

[illegible]e Building and Construct[illegible]any Trades Council of San Ma[illegible] the s[illegible] county was on record to[illegible] bids as unanimously opposed to

L[illegible] position No. 16, which [illegible]ld impose a punitive tax on [illegible] state's non-profit elemen[illegible]y and secondary schools.

Henry Schwab, San Mateo, (P[illegible]sident of the organization, [illegible]d the vote condemning Proposition No. 16 was taken on the motion of Charles Benton, secretary-treasurer of Laborers' Union No. 389 in San Mateo.

"Every state in the Union exempts the non-profit schools [illegible]om taxation," Schwab said. "We publicly advocate to all fair-minded citizens that they vote 'No' on this bigoted proposal."

The resolution pointed out that the non-profit schools, by educating 340,000 pupils a year, reduces public school taxes by $118,000,000 annually, yet the annual tax exemption granted these schools totals only $1,800,000 a year in all of California.

"Non-profit schools in San Mateo county educate 10,000 children. Based on the county's public school average cost of approximately $352 per pupil, the education of these pupils would cost $3,555,000 a year. This sum is now absorbed by the non-profit schools in the county and represents a direct saving to the taxpayers."

KEEP ENGINE TUNED

There is a world of difference in the performance of an engine that is well tuned and one that has poorly adjusted valves, pitted breaker points, dirty plugs, faulty carburetor, and the like. National Automobile Club advises you to keep your engine tuned.

## Adult Turnout Heavy For Jeff Swim Program

The doors were packed on opening night of the Jeff Adult Swim program. Mike Orlich, director of the program, had to turn away half of the applicants for lack of space.

To avoid future disappointments, an extra session will be added to the next Learn-to-Swim series beginning on November 5.

Applicants may choose the first session from 6 to 7 p.m. on the second session from 7 to 8 p.m. To sensure acceptance, applicants are urged to pre-register.

Registrations will be accepted at the pool office any Wednesday evening and can be made in person or by phoning Orlich at PL 5-2511. A $3 fee is charged for the five-week course.

## Daly City Prep Elevens Meet Friday In Crosstown Feud At Jefferson

Daly City's two high schools open the Peninsula League varsity football campaign here Friday afternoon when Jefferson hosts town rival Westmoor at 3 o'clock on the Jeff turf.

Both squads are winless in practice games to date, but Jefferson still rates a contender's role in the league race.

Westmoor has shown steady improvement. The Rams led Riordan here Friday by 7-6 until the fourth quarter, finally losing, 26-7. Earlier, Westmoor fell to Carlmont, 32-6, and Serra, 38-22.

Coach Joe McGrath's Jeff eleven lost to Riordan 21-0, then bounced back to hold favored Encinal of Alameda to a 25-12 margin.

Westmoor's offense is led by Quarterback Dave Simons and the running of Tom McHugh and Bob Roller. Jeff's mainstay is Pete Garcia, All-Peninsula end who has been shifted to backfield duty.

Jeff downed Westmoor last year when the schools clashed for the first time, 32-12.

## SF State Faces Nevada Eleven

Councilman Joe Verducci's SF State College Gator gridders, 3-1 in exhibition games, resume their Far Western Conference campaign this Saturday night against University of Nevada at Reno.

The Gators have beaten Long Beach State, Cal Poly of Pomona, and Occidental. Their lone loss was a 13-12 verdict to Humbolt State.

Verducci's squad last week rallied from a 16-0 halftime deficit to stun Occidental.

## Bowling Center In Westlake Almost Ready

With the opening date les[illegible] than a month away, plans ar[illegible] being finalized for the opera[illegible]tion of Swanson's Westlak[illegible] Bowl, the[illegible] latest edition [illegible] Westlake Shopping Center.

With 32 Brunswick Automa[illegible]ic lanes leagues are being forn[illegible]ed from the many bowlers [illegible] the Westlake area. Amor[illegible] those in the process of bein[illegible]formed are daily housewive[illegible] leagues, men's and womer[illegible] handicaps, father and son a[illegible] mother and daughter league[illegible] as well as 775 and 800 mer[illegible] leagues.

Mrs. Marge Brown, we[illegible] known local bowler, is accep[illegible]ing applications for the vario[illegible] teams and leagues.

The opening of the bowl w[illegible] introduce the first "back [illegible] back" plan in northern Ca[illegible]fornia.

In addition to the 32 lan[illegible] Manager Jim Grealish has a[illegible] nounced that there will be [illegible] "toddlers' lane," a supervis[illegible] playroom for the children [illegible] women bowlers during mor[illegible] ing and afternoon hours.

Johnny Swanson, owner [illegible] the bowl, will also bring [illegible] Westlake the introduction [illegible] "Hof Brau" dining in the are[illegible] newest restaurant, with an a[illegible] joining banquet room for p[illegible] vate parties. To complete t[illegible] "all under one roof" operatio[illegible] he will present a cockt[illegible] lounge, unsurpassed in the B[illegible] Area for smartness and frien[illegible]ly atmosphere.

More than half of the pede[illegible] trians killed annually in au[illegible] accidents reportedly jaywalk[illegible] or acted in an otherwise u[illegible] safe manner, according to t[illegible] National Safety Council.

# "Aqua Follies Here Sunday" To Kick Off Opening Of Swimming Pool Apartments

Clyde Devine's "Aqua Follies" will be presented free of charge to visitors of Westlake's Country Club Swimming Pool apartments, this Sunday afternoon. The show will mark the formal opening of the new apartments, located at 200 Park Plaza Drive (just south of Southgate Avenue), and will be held at 3:00 o'clock.

A general "open house" is being held at the apartments, and residents of Westlake and Daly City are invited to inspect the new units with their tropical gardens, their heated and filtered swimming pools and the model apartment which has been furnished by Richter's of Westlake Shopping Center.

Clyde Devine, noted sports figure, who operates a swimming instruction school in San Carlos and at the Villa Chartier will present the "Aqua Follies," which will feature both students and professional swimmers.

Well known swimming star Patty McPhenan and her daughter Dallas will highlight the school in an act billed as "Synchronized Swimmers de Luxe." Other acts include the "Diving Devines" (Clyde, Mike and Denny). And there will be the traditional clown act featuring the "Diving Maniacs." They are Don Wright and Dick Lennen, famed aqua clowns.

Visitors to the "Aqua Follies" are invited to inspect the various types of apartments which are available. While the swimmers will be presented in the afternoon, the general "open house" will continue into the evening. Illumination in the landscaped courts surrounding the swimming pools has been provided to enhance the exotic effect of the tropical gardens.
